Diversification is key in growing your business:

Why designers are now turning to retail

Discover why designers are expanding their businesses by opening retail spaces with owners of local stores Putnam & Mason, Intérieurs, and PIMLICO. Stacy Kunstel, *New England Home* Magazine's Home Editor, will guide the panelists through a discussion on how it has grown their interior design businesses and how the pros outweigh the cons.

3:00 – 3:45 pm

Bunny Williams

Lighting Tips for Residential Interiors

Join Bunny Williams as she discusses successful reflective ceiling plans, decorative sconce placement, choosing the right size shade for your lamp and other lighting tips to create magical atmosphere in your home. Bunny Williams will highlight her new collection of lighting fixtures with Currey and Company.

"Movie stars often have their own lighting consultants to make sure they always look their best. Your rooms deserve the same star treatment," says Williams.
