Business of Design Get Your 'A' Game On:

Why Tightening Your Business Procedures Is Crucial To Design Success

It's no longer just about the design details. Today's top interior designers need to have their business details locked down tight as well. In this conversation, **Sandra Funk** and **Sandra Oster** will delve into **fee structure, back-of-house operations, and top-notch customer service** as it relates to running a **successful and profitable design firm**.
